CAMPING

High-Density Camping Mat

Lightweight yet firm IXPE foam mat, 1500×2000mm, built for serious outdoor comfort.

Lightweight yet firm resilience, redefining outdoor comfort. Made of IXPE high-density foam for durability and quick recovery, with a waterproof, anti-slip surface. The foldable, rollable structure makes it easy to carry, and the minimal dark-green design suits any campsite. Built to the QC standards proven with global retailers such as Costco and Japan Daiso.

Key features

• IXPE high-density foam — durable with quick recovery

• Waterproof, anti-slip surface

• Foldable / rollable for easy transport

• Minimal dark-green design
