SOURCING

Soundproof Art Board (2-in-1)

A perforated acoustic panel with combined sticker and magnetic mounting in one product.

This 30 x 30cm acoustic panel uses a perforated (pegboard-style) surface to absorb sound while adding a decorative finish to walls and doors. It combines both mounting methods in one product — adhesive sticker and magnetic — so it works on general flat surfaces as well as metal doors and frames.

Key features

• Perforated (pegboard-style) acoustic surface

• 2-in-1 mounting: adhesive sticker and magnetic

• Adds a decorative, textured finish

• Works on flat surfaces and metal surfaces alike
